

How To Play

The "OUTLAST Daily Fantasy Sports" application was created to provide a more inviting and easy-to-use approach to daily fantasy sports (DFS) gaming. "OUTLAST" has an easy mode with a simplified interface for beginners and also a pro mode that will appeal to experienced DFS players. The game promises no rosters, no salary caps and no sharks. Download "OUTLAST" for free today. Players must be 18 and older (19+ where required). A valid ID is required to register to play "OUTLAST".

"OUTLAST" is available to play in the following states: California, Florida, Georgia, Illinois, Kentucky, Minnesota, Nebraska, New Mexico, North Carolina, North Dakota, Oklahoma, Oregon, Rhode Island, South Dakota, Texas, Utah, West Virginia, Wisconsin and Wyoming.

Users can follow these general steps to play the game:

1. Pick your play mode.
2. Choose your sport.
3. Pick the games you're interested in.
4. Choose "Over" or "Under" on a player's projected stats.
5. If you choose incorrectly, the game is over and you lose the entry fee.
6. If you get three picks in a row correct, you can claim your winnings or continue for a bigger payout.
7. Continue and see if your win streak can last seven picks to earn up to 80 x your entry fee.
8. All winnings are credited to the users account, which you can cash out at anytime, but remember if you go for the big win, you lose all you've accrued during that time.

For more information about the games offered or to download the "OUTLAST" app, visit www.outlastdfs.com.
